I hereby certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of electrical work will be complied with whether specified herein or not the granting of a permit does not presume or give authority to violate or cancel the provisions of any other state or local law regulating electrical work or the performance of the electrical work. This permit may be revoked if wrongfully issued to misinformation or improper application or improper application of code.

CONTRACTOR'S SIGNATURE:

DATE:

Section 25A of the State Construction Code Act of 1972, Act No. 230 of the Public Acts of 1972, being Section 125.1523A of the Michigan Compiled Laws, prohibits a person from conspiring to circumvent the license requirements of this state relating to persons who are to perform work on a residential struction. Violaters of Section 23A are subject to civil fees.

I hereby certify the electrical work described on this permit application shall be installed by myself in my own single family dwelling in which I am living or about to occupy. All work shall be installed in accordance with the National Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume responsibility to arrange for necessary inspections.
